

March, 6th 2014.

Dear Author at RC26 Sessions,

We hope see you soon at the XVIII ISA World Congress of Sociology (July 13-19, 2014), Yokohama!

In order to make it easier for you, as the registering deadline is approaching, **we kindly recommend all presenters in the RC26 to follow two steps:**

1. to apply for ISA and RC26 memberships (or renew them, if it is due time)

Visit http://www.isa-sociology.org/memb_i/

2. to register to the Congress before April 1st 2014 (so your name will be in the final programme) Visit http://www.isa-sociology.org/congress2014/congress_registration.htm

From here on, we present you further advice on these matters, and more:

ISA Membership

Before registering to the World Congress, verify if your ISA and RC26 memberships are still valid in order to enjoy a reduction on congress rates and online access to journals. The deadline to make or renew your ISA and RC26 membership in order to have the discount is best before March 18th 2014.

Congress Registration

In order to be included in the program the participants (presenters, chairs, discussants, etc.) need to pay registration fees by **April 1, 2014**. If not registered, their names will not appear in the Program Book and in the Abstracts Book.

In case of a co-authored paper, in order for a paper to appear in the program, at least one co-author should pay the registration fee by the early registration deadline April 1, 2014; the names of other co-authors will be listed as well.

Please, be sure to use the same e-mail you have submitted the paper (and received this e-mail).

Visa Requirements

Participants from several countries need to obtain an entry visa to Japan. The Japanese Local Organizing Committee will provide assistance in the preparation of documents for visa application only for the participants who have paid registration fees.
